

Express delivery for urgent needs

If there is a bottleneck or an emergency situation, speed in procurement is required. Our express shipping allows timely delivery of goods on time and at short notice.

Thanks to years of cooperation with our parcel service providers & carriers, we guarantee delivery on the next business day.

Alternatively, there is the possibility of delivery:

- by courier with immediate pickup and delivery
- by overnight delivery
- by forwarding agency with appointment delivery
- by appointment delivery in the parcel area up to 30 kg (until 9.00 o'clock / 10.30 o'clock / 12.00 o'clock)

Your benefits at a glance:

- Faster delivery of goods
- Reduction of downtime
- Alternative shipping options customized to your needs
- Maximum flexibility
- punctual and short-term delivery
